

PurposeSB 5418

Outline of Public Works Contracting study

Purpose: Comprehensive review of local government bid limits with the intent to develop considerations and guidance for an appropriate standardized method of adjustment to contract thresholds

- A - Identification of Most Common Local Government Contracting Procedures
- B - Development of an Bid Threshold Matrix of Public Works Contracting Bid Thresholds
- C - Analysis of Estimated Project Cost Comparison to Contracting Thresholds
- D - Analysis of Potential Application of Regional Inflation Index to Contracting Thresholds
- F - Rates of Participation by Diverse Businesses in Small Works and Limited Public Works Contracting
- E,G – Findings related to recommendations for Public Works Contracting and Procurement, including Identification of Barriers to Participation in Small Works Roster and Limited Public Works Contracting Processes

See attached Presentation from CPARB Meeting2/13/2020

Expected Time Commitment from Committee Members

CPARB Meeting Date(s)MSRC Meeting Schedule Going Forward as of May 1, 2020

- 5/14/2020
- May CPARB Meeting – Half an hour of time to deliver a status update and to identify a sub-committee (4-5 people) to participate in vetting of recommendations over the summer. The ask would be that these folks be available for 4-5 meetings during the summer and be representative of the diverse opinions within Public Works.
May through August - Series of meetings over the summer with sub-committee (3 week intervals) with one major piece of report reviewed at each meeting. MRSC will prepare content to present at each session and the focus will be on identifying recommendations or additional information that is needed to inform the discussion.
- 9/10/2020
- September CPARB Meeting - Submit draft to board as part of pre-reading, Present executive summary version with sub-committee group recommendations
- 10/8/2020
- October CPARB Meeting
- 12/9/2020
- December CPARB Meeting – Board to approve recommendations and Final Report
December/January – Final Report delivered
